

EMBRACING COMMUNITY: THE POWER OF 'BE LOCAL'

At Monroe Community Credit Union, we believe in the strength of our local community. That's why we proudly support the 'Be Local' initiative. By choosing to shop and invest locally, we not only support our neighbors but also help build a stronger, more vibrant community.

'Be Local' is more than just a slogan; it's a way of life. It's about fostering connections, building relationships, and creating a sense of belonging. Every local purchase and community event strengthens our bonds and enriches our shared future. When we support local businesses, we fuel the dreams and aspirations of our neighbors, creating a positive cycle of community growth.

At MCCU, we're dedicated to embodying the spirit of 'Be Local' in everything we do. From supporting local businesses to organizing community events, we strive to make our community a better place for everyone. Together, let's continue to support and celebrate our wonderful community.

MICHAEL ROBERT MILLER

FEBRUARY 6, 1954 - JUNE 18, 2024

Monroe Community Credit Union (MCCU) mourns the passing of Mike Miller, Director Emeritus. Mike's leadership journey with MCCU spanned 16 impactful years, during which he served as Chairperson from 2019 to 2023. His tenure was defined by significant growth, as MCCU expanded from four to six locations and saw its assets grow 250% from \$103 million to \$360 million during this time.

Mike's impact extended far beyond numbers. His visionary leadership and unwavering dedication were pivotal in shaping MCCU's commitment to its members and the community.

"Mike, during his many years, was a volunteer Board member extraordinaire! His passion and dedication to the CU's mission and its members, first as a director, then as our chairperson was, in a word, extraordinary! The loss of Mike as our leader is indescribable. However, luckily for the entire CU family his philosophy, direction and the clear vision he provided during his tenure will be cemented in his/our legacy forever," remarked Gary Sievert, MCCU Board Chairperson.

Mike's legacy at MCCU is one of resilience, growth, and community impact. His memory will forever inspire us at MCCU, and his contributions will be deeply cherished and remembered by all.
